

# Cal State Fullerton

COLLEGE OF COMMUNICATIONS

Cal State Fullerton's College of Communications envisions a democratic society in which people from all backgrounds can participate fully in **civic discourse, building community** and **enhancing social capital**.

## COMPREHENSIVE EDUCATION

The College of Communications prepares communicators to advance a democratic society by undertaking critical academic inquiry, serving the community, and engaging in ethical and professional practice across all communication industries and in related fields. We provide students access to immersive experiences that prepare them with the tools they need to act as ethical global citizens as they pursue their chosen professions.

*Diverse: Issues in Higher Education, 2021*
- **Top 5%** Best Public Schools in the Nation  
*U.S. News & World Report, 2023*

- To help students build their portfolios, expand their networks and gain professional experiences, we offer such programs as **Comm Week**, the **Latino Communications Institute**, the award-winning **Daily Titan** newspaper and **Titan TV and Radio**.
- In the **Speech and Hearing Clinic**, students are provided with the knowledge, skills and clinical experience to become certified and licensed speech language pathologists and audiologists.
- **The CSUF Forensics Team**, with more than four decades of success, is a leading driver of free speech and has been a vehicle to propel many undergraduates to greatness. Students involved in speech and debate participate in intellectual competition in both individual events and debate while also enhancing critical research and communication skills. Beyond these skills, students learn about the importance of teamwork, responsibility and leadership.

## SPECIAL PROGRAMS

### Award-winning programs:

- Al Día
- Daily Titan
- OC News
- PRactical ADvantage Communication (PRAD)

### • Latino Communications Institute

The Latino Communications Institute trains future communications leaders with a framework of Latino cultural competency through mentorship and research opportunities. The program aims to provide an equitable experience for Latinx students so they can accomplish their academic and professional goals. LCI offers impactful mentorships, career pathways and networking opportunities.

### • Newport Beach Film Festival Student Showcase

Student films are screened annually at the Newport Beach Film Festival Collegiate Showcase. Students in the cinema and television arts program develop marketing strategies and create promos, posters, and other creative materials to publicize their films. The Newport Beach Film Festival is one of the leading lifestyle film festivals in the U.S.

## ACADEMIC PROGRAMS

The College of Communications houses four academic departments that deliver a comprehensive curriculum for cinema and television arts, communication sciences and disorders, communications and human communication studies. These degree programs prepare students to work in all areas of communications and related fields in business, education, entertainment, government, health care, nonprofit, for profit and beyond.

## OUR ALUMNI
