Important Notes

• **DECLARING THE MINOR.** Many courses require being officially declared in the minor prior to registration; the "Class Notes" box in the detailed course information on Titan Online will notate this. To declare the minor, complete the "Request for Minor Objective" form (available at Admissions and Records, LH 114) and have it signed by the Department of Communications (CP-400); return the form to Admissions and Records.

{CAN} = course satisfies California articulation number indicated.

• **GENERAL EDUCATION [GE].** Communications GE courses (designated in brackets) are permitted to double count for both GE and the minor (9 units maximum in a single department can count toward GE). GE advising: www.fullerton.edu/aac.

• **TRANSFER.** If you are transferring a course equivalent to COMM 233 or 101, check to see if the equivalency/final grade is documented on your Titan Degree Audit. If not, please submit documentation of this (e.g., copy of transcript, grade report) to the Department of Communications, CP-400, at least 3-5 days PRIOR to enrollment. For CA community college equivalencies, check www.assist.org; non-articulated courses may be equated with faculty advisor approval.

• **"C" GRADE REQUIREMENT.** Students must earn a "C" or better in all minor courses that are prerequisites for other courses.
