

# Instructions from Admissions and Records regarding postbac application on CSU APPLY

(For any questions regarding CSU APPLY, please contact the Admissions Office, as I am only involved in the Department admission, but not the University Central Process)

You will first go to **'Credentials'** to select the right program. Make sure that you pick the correct program level in the extended profile (see screenshot below).

If you have any further questions regarding your CSU APPLY, you will contact the Admissions and Records Office. The department is not involved in this process.

Only select **Undergraduate** if you are:

- A graduating high school senior or equivalent
- Seeking a Bachelor's degree and are transferring from another institution
- Seeking a second Bachelor's degree
