The Digital Communications Media Certificate gives CSUF students a chance to complete a set of courses that provide relevant hands-on skills for the ever-evolving media workplace. Students will gain the concepts and skills needed to strategize, design, and execute interactive Web-based and social media content. To prepare for graduation, students will create a web portfolio with their own domain.

All Department of Communications majors are encouraged to consider completion of one of our pre-professional certificates. The certificates are also open to students from other majors. A certificate takes the place of the collateral requirements on the COMM degree check sheet. To learn more, speak to your faculty advisor or visit the College of Communications Advising and Student Success Center (College Park 650-26). Department of Communications Certificates are open to all CSUF students.
