### IMPORTANT ADVISING NOTES

- **COMM 325, 372, 471 and 472 may only count ONCE** toward fulfilling major requirements | "jr.": junior standing (60+ units) | "sr.": senior standing (90+ units)
- **[UDW]:** at least one UDW course must be passed with a "C" or higher to satisfy the university's upper-division baccalaureate writing requirement.
- **COMM major and collateral courses that are approved GE courses may "double-count" to fulfill both requirements** (you will not earn double the units, however)
- **Student may need to be a declared COMM major to enroll in select COMM courses:** check the "Enrollment Requirements" description in the course details on Titan Online.
- **"C" REQUIREMENT:** Students must earn an overall GPA of 2.0 or better in the major, as well as a "C" or better in 1) major courses that are prerequisites for other major courses taken, 2) one [UDW] course, and 3) courses noted as "C required" on the checklist; a "C minus [C-]" will not fulfill a "C required" designated course.
- **Academic Advisement:** Faculty Advisement: office hour flyers available in the communications department (CP-400); College of Communications Advising and Student Success Center (CP-650-26): academic advisement for GE, major, overall degree requirements; TDA reviews, university policies, academic probation holds, grad check approvals.
