	COMM 472	Advanced Electronic News Production	COMM 372	

[21 units] 7 TOTAL COMMUNICATIONS COURSES

Advising Notes

- General Education:** communications GE courses (GE D.5: COMM 233 and COMM 425) are permitted to double count for both GE and the minor; GE advising is available at the university Academic Advisement Center (AAC): <http://www.fullerton.edu/aac>
- "C" Requirement:** Students must earn a "C" or better in 1) minor courses that are prerequisites for other minor courses taken, and 2) courses noted as "C required" on the checklist; a "C minus [C-]" will not fulfill a "C required" designated course
- Transfer courses:** The registration system recognizes prerequisite completion if the final grades ("C" or better) are correctly entered on the TDA. If transfer prerequisites are not yet entered, you may need to submit documentation (e.g., copy of transcript) to the communications office (CP-400) PRIOR to enrollment. For a list of CA community college equivalencies, check <http://www.assist.org>; non-articulated courses may be approved: see a faculty concentration advisor
- Minor advising:** Faculty Advisors: office hour flyers available in the communications office (CP-400); professional and peer advisors are available in the College of Communications Advisement Center (CP-425)
- Course Substitutions:** under special circumstances, you may substitute other comm classes with approval from a concentration faculty advisor
- "jr.": junior standing** (60+ units)
- Student may need to be a declared journalism minor to enroll in select COMM courses:** check the "Enrollment Requirements" description in the course details on Titan Online
