## ADVISING NOTES

1. The University requires that students have at least 40 units of upper division (UD) coursework (300- & 400-level) across ALL classes.
2. When you have 85 or more units, a cumulative GPA of 1.85 or higher, and have a declared major, you will be notified that you are eligible to apply for graduation. Apply for graduation through your Student Homepage 1-2 semesters before your expected graduation term.
3. The University requires you to have 120 units or more to graduate. 48 of these units are GE requirements. See advisor for GE requirements. CTVA is a 48-unit major.
4. You must have a prerequisite course with a C or above, to enroll in the next class (except for CTVA 495). You must pass any UDW course with a C or above.
