Chair Desiree grants STANCE approval for a \$15 Starbucks gift card for their Bilingual SLP speaker event.

Chair Desiree grants AD Club partial reimbursement of \$130 for their general meeting which included In-n-Out and plates/napkins. Reason being for partial reimbursement is due to AD Club hosting general meeting events and spending money before receiving approval from CICC.

AD club questions where they aren't receiving a full reimbursement.

Advisor Brandon says that moving forward there will be no partial reimbursements or reimbursements in general because it is ASI policy. He adds that ICC is not to reimburse for events that have already taken place before receiving approval.

AD Club says they didn't have the opportunity to present before receiving approval because the semester already started and CICC did not hold a meeting until the week after Labour Day.

NSSHILA added that in the past that retroactive funding was allowed.

ASI rep Gavin tells council to reach out to him regarding the situation so he could provide more details.
