VP of Finance: DOA Leila shares a report on behalf of VP Danielle to share a few reminders to the council. This includes not submitting forms for events to be approved on the day of the event because there is a possibility the request isn't approved and therefore requested funds will not be funded. The minimum time frame in which a form should be submitted should be a week. Lastly, encourage club members to attend club events by doing “first come first serve” for food items so that way we aren't spending funds for all attendees to eat.
