

ADVISING SUPPLEMENT FOR COMMUNICATIONS MAJORS WHO MINOR OR DOUBLE MAJOR IN RADIO-TV-FILM

Communications (COMM) majors may wish to minor or double major in Radio-TV-Film (RTVF). This information can help in selecting classes. For major and minor checklists in RTVF, contact that department: CP-460-16, 714-278-7883 (CSU-RTVF), rtvf@fullerton.edu

RTVF Double Major: 36 units in RTVF. The BA degree in RNF consists of 48 units; however, 12 of those may be collaterals in other departments, so a COMM major may count 12 *COMM units toward the RTVF degree*, leaving 36 units unique to RTVF.

Likewise, the BA degree in COMM requires 36 COMM units plus 12 collateral units in other departments at the upper division (LID, 300- and 400-level). Any 92 UD *units in the second RTVF major* may count as COMM collaterals.

RTVF Minor: 21 units in RTVF. Any 12 UD *units in the RTVF minor* may count as COMM collaterals.

General Education (GE): Courses offered by a student's major department may *not* be used for GE credit. Therefore, students who *double major* in COMM and RTVF may use *neither COMM nor RTVF* classes to meet GE requirements.

However, COMM majors who *minor* in RTVF may use RTVF courses for GE credit (because they are not majoring in RTVF). As of this writing, two RTVF classes are approved for GE:

- RTVF 365 Children's Television (GE IIIC2)
- RTVF 370 World Cinema (GE IIIB3, V)

Liberal Arts and Sciences (LAS): COMM accreditation requires 65 units in the liberal arts and sciences. These RTVF courses may count as LAS for both *RTVF minors and double majors*.
