

Financial Handbook for Student Leaders

A Guide to Understanding How to Fund and Pay for Programs
(October 2011 Printing)

The intent of this handbook is to provide student leaders and organizational advisors with access to the information necessary to request funding/payment for student-sponsored programming from the Associated Students, Inc. – the student government of California State University, Fullerton. The information contained herein is best seen as a guide for the novice and ought to be supplemented with direct advisement from ASI Leader & Program Development (Titan Student Union, Room 269), one of the ASI Executive Senate organizations, or the ASI Executive Offices (Titan Student Union, Room 207). It is important to remember that following the process does not guarantee funding. It only allows that the request for allocation be processed as efficiently as possible. Student leaders may obtain the forms discussed herein on the Executive Senate page at asi.fullerton.edu/government/executiveSenate.asp

Corporate Policies, Practices and Interpretations

The following policies and practices represent the most commonly utilized and questioned policies, practices and financial customs of the ASI. Additionally, various sections provide interpretations and intent of said policies, practices and customs. Still other sections refer to standing practices not listed or detailed in writing otherwise. All are part of the standing ASI corporate policies, practices and interpretations meant to be followed by all ASI programs. Be wary, this list is not intended to be inclusive of all policies, practices, customs and interpretations. Therefore, it is necessary when utilizing ASB fees for an event, program or conference that you contact ASI Leader & Program Development (Titan Student Union, Room 269) well in advance to ensure proper planning and compliance.

1. **ASI Events Must Be Free and Open** – All ASI sponsored events must be free to California State University, Fullerton students (unless specifically stated in the ASI Budget Language). As well, all events must be open to all California State University, Fullerton students. For more information, see ASI Annual Fiscal Budget, *Associated Students Inc. Events Admission Fee Policy*.
2. **ASI Funding Not For Classes** – All ASI sponsored events must not be connected to any course or academic requirement, except for ASI Research Grants. This statement should be interpreted to mean that ASB fees may not be spent on speakers, lecturers, and/or materials related to the instruction of a course. Additionally ASI does not fund any registration, fees, tuition, travel costs and/or other related charges for any course, seminar, instruction, and/or workshop which provides academic units (credit).
3. **ASI Acknowledgment** – All events funded through ASB fees need to acknowledge the funding of the event by the Associated Students, California State University, Fullerton, Incorporated. The ASI logo needs to be included on all printed materials at no less than 5% of the total size of the printed material. On banners, the ASI logo needs to be

displayed conspicuously. In order to make compliance easy, the logo can be downloaded from the Executive Senate page of the ASI website. Executive Senate groups need to make mention of the ASI funding by announcement before and after an event. Failure to comply with this policy places the entire Council's or Program's budget in jeopardy. The ASI Board of Directors has implemented a four stage warning system that in the second step begins to freeze the entire Council's or Program's budget. See ASI Policy Statement #207.

4. Double Funding – An event may not receive funding from more than one source.
5. Agendas and Minutes – Groups receiving ASB fees must provide a copy of their agendas and minutes to the ASI Executive Office (Titan Student Union, Room 207) and ASI Leader & Program Development (Titan Student Union, Room 269). The posting of agendas must be in accordance with the Gloria Romero Act and ASI Policy Statement #502. Minutes must be turned in within 2 weeks of the meeting.
6. Secret Ballot Voting – Voting for any group dealing with ASB fees needs to be conspicuous: hand-raising, roll-call, standing, etc. Secret ballot voting is prohibited, including but not limited to voting for elections of officers and funding decisions.
7. Executive Senate – ASI Policy Statement #504 outlines requirements for Executive Senate groups.
 - a. Attendance at the biweekly Executive Senate meetings for presidents and chairs. Schedule is posted at the ASI Executive Senate webpage.
 - b. Attendance at the monthly Financial Officer Caucus meeting during the Executive Senate meeting. Financial Officers submit a monthly written report to the ASI Vice President of Finance at these meetings.
 - c. Reports

- i. An end of the semester written report to the ASI Executive Vice President and the ASI Board of Directors Chair detailing each expense and/or allocation. See ASI Budget Policies, #11.
- ii. In person report to the ASI Board of Directors, twice a semester according to a schedule set by the ASI Executive Vice President. Schedule is posted on the ASI Executive Senate webpage.

8. Purchasing and Expenditures (Most of the below are contained in full in the ASI Budget Policies and Procedures in the ASI Annual Fiscal Budget publication. Others have the ASI Policy Statement referred to listed. Still others are interpretations or practices and are only referenced herein.)
 - a. Purchases over \$2500 – Purchases exceeding \$2500 require three written bids and must be paid for with a purchase order.
 - b. Purchase Orders – There is a 5 business day turn around for purchase orders. So it is important to plan ahead.
 - c. Check Requests – Accounting Services process check requests for ASB fees once a week. Requests need to be in by Tuesday at 12noon to receive a check by Friday at 3pm.
 - d. Office Supplies – Office supplies must be purchased through ASI Leader & Program Development (Titan Student Union, Room 269, 657-278-7736). Reimbursements for office supplies purchased through other means are not allowed.
 - e. Contracts Over \$3000 – The ASI Finance Committee and Board of Directors must approve any contract over \$3000.
 - f. Tee Shirts – Tee shirt funding is available only to those Executive Senate groups for which tee shirt funding was included in their budgets. ASI funds tee shirts for no more than \$10.00 per shirt, inclusive of shirt, set-up and production costs. Graphic Services

(Titan Student Union, Room 4, 657-278-3915) can assist student organizations in locating vendors. ASB fees cannot fund tee shirts for clubs and organizations.

- g. Photocopying – For normal photocopying, ASI does not fund copies at more than \$.05 per copy. Graphic Services (Titan Student Union, Room 4, 657-278-3915) can assist student organizations with printing and publication needs.
- h. Daily Titan – ASB fees cannot be used for advertisements in the Daily Titan unless specifically approved by the ASI Vice President of Finance.
- i. Original Receipts – ASI only reimburses original receipts. Credit card receipts submitted must include the itemized bill. Bank statements, credit card and other like statements are not acceptable. Photocopies or duplicate copies are not permitted. Receipts from “mom & pop” stores need to include a business card with contact information.
- j. Invoices – If an invoice has a balance due, the ASI pays the business directly. An invoice only can be used for reimbursement if it indicates that no balance is due to the business. Invoices must be legitimate and contain the name, address, and phone number of the business.
- k. Non-Consumable Items – Occasionally, clubs request to purchase non-consumable items with ASB fees from an Executive Senate group. Prior to entertaining such a request the Financial Officer of the Executive Senate group must meet with the ASI VP of Finance (TSU 207, 657-278-3295) to discuss the appropriateness of the allocation and the ultimate disposition of the property. Typically, the equipment remains the property of the ASI. See ASI Policy Statement #206.
- l. Computer Equipment & Websites – The ASI does not purchase computers or networking equipment for clubs. Additionally, the ASI does not pay to maintain or to create any website other than its corporate one.
- m. Flyers – ASI does not fund flyers promoting club meetings and/or the recruitment of members. However, ASI may fund flyers promoting events.
- n. Fundraising/Donations -- Executive Senate groups are not permitted to use ASB fees for fundraising activities, and/or to provide ASB fees to clubs to donate and/or support any charity, charitable event, or philanthropy. The ASI Board of Directors reserves the right to make all decisions regarding donating student fees to charitable events and/or philanthropies, see ASI Policy Statement #208.
- o. Reimbursing Agency/University Accounts – The ASI does not desire to reimburse payments made from club agency accounts or university accounts.
- p. Outreach – The ASI does not provide fees for clubs to sponsor outreach events to elementary, middle, high school or community college students.
- q. Alcoholic Beverages – In accordance with ASI Policy Statement #209, ASB fees cannot be used for the purchase of alcoholic beverages.
- r. Banquets – Executive Senate groups may spend a maximum of \$250 of student fees for a banquet or year-end event for their members as long as it has been provided for in the approved budget. The ASI does not fund banquets or year-end events for individual clubs and organizations. Banquets or banquet-like events are not to be funded. The rule of thumb is “if it looks like a duck, quacks like a duck, walks like a duck; it’s a duck.” For more

information, contact ASI Leader & Program Development (TSU 269, 657-278-7736).

- s. Gift Cards—In accordance with University Directive #11, the ASI cannot fund gift cards, gift certificates or the like.
- t. Professional Organization Membership—ASB fees cannot pay for any individual's personal membership or dues to professional organizations.
 - i. If the cost of a conference includes an individual membership and the individual membership is not itemized, then the individual membership is allowed as it cannot be separated out. Proof is required that the cost of the individual membership is included and cannot be itemized.
 - ii. If the cost of a conference includes an individual membership and the individual membership is itemized, then the individual membership is disallowed as it is listed as a separate charge.
 - iii. If the cost of the conference is less expensive for members, then the Executive Senate group may fund the lesser amount and hold the student requestor responsible for the difference or the Executive Senate group may fund the higher registration cost.

9. Programming, Contracts, Risk Management

- a. Contracting Services – In the implementation of programs and events, it is often necessary to contract with performers, speakers, and other businesses.
 - i. Contracting incurs a financial and legal liability to the parties involved.
 - ii. The ASI Board of Directors has delegated the authority to enter into contracts to the ASI Executive Director and by extension to the Director, ASI Leader & Program Development.
 - iii. Contracts for events and programs utilizing ASB fees must be presented to ASI Leader & Program Development (Titan

Student Union, Room 269) and finalized (signed by both parties) **at least one week prior** to the event.

- iv. Failure to do so, results in the contract not being valid between ASI and the contractor. **Thus the liability falls to the individual student who verbally agreed to the payment for services.**
- b. Event Insurance/Risk Management – Most events funded by ASB fees are covered under the ASI corporate insurance. Oftentimes though, an insurance policy endorsement is needed from a service provider. In such situations, ASI Leader & Program Development (Titan Student Union, Room 269, 657-278-7736) needs to be in receipt of such a statement **at least one week prior** to the event. Student leaders should contact the office well in advance of a program to ascertain if such a statement is needed or if additional insurance needs to be purchased. The minimum required insurance is as follows:
 - i. Proof of Vehicle Insurance
 - ii. Proof of Worker's Compensation Coverage
 - iii. \$2 million per incidence
 - iv. \$2 million aggregate
 - v. Endorsement with wording: "The Associated Students, California State University, Fullerton, Inc.; the State of California; the Trustees of the California State University; California State University, Fullerton; and all of their several officers, agents, volunteers and employees are named as additional insured. This insurance policy will not be modified, changed or cancelled without thirty (30) days prior written notice to said Associated Students, California State University, Fullerton, Inc., to the State of California, and to the Board of Trustees of the California State University. The Associated Students, California State University, Fullerton, Inc., and the State of California are not liable for the payment of premiums or assessments on this policy. "

- c. Off-Campus Events – In accordance with ASI Board of Directors policy, events funded by ASB fees are to be held on campus. In extraordinary situations, groups can request an exception. The process is as follows:
 - i. First complete the ASI Off-Campus Approval Form, available on the Executive Senate webpage or from the ASI Vice President of Finance (Titan Student Union, Room 207, 657-278-3295).
 - ii. The event must be reviewed by ASI Leader & Program Development (Titan Student Union, Room 269, 657-278-7736). ASI Leader & Program Development may need to conduct a walk-through of the facility prior to the ASI Finance Committee meeting to ensure that the facility meets current risk management standards.
 - iii. The organization meets with the ASI VP of Finance and requests scheduled at an ASI Finance Committee meeting. The ASI Finance Committee reviews the request to be forwarded to the ASI Board of Directors.
 - iv. Finally, the group needs to obtain the approval of the ASI Board of Directors.
 - v. Organizations should begin the process well in advance of the event. THERE IS A MINIMUM 4 WEEK ADVANCE REQUIRED.

10. Titan Student Union Policies – The Titan Student Union maintains a set of policies for use of the TSU. Copies of the policies are distributed during Blue Prints meetings (contact the Student Organization Area, TSU for more details) or from the University Conference Center (Titan Student Union, Room 121, 657-278-5867).

- a. Impacted Event Attendance Policy – The Titan Student Union utilizes the University’s impacted attendance policy, which limits attendees to student organization parties to Cal State Fullerton students and their guests with appropriate school identification. Details of this policy are explained in Blueprints meetings (contact the Student Organization Resource Center, Titan Student Union, Room 245, 657-278-7622 for more details) or from the University

Conference Center (Titan Student Union, Room 121, 657-278-5867).

 - i. Travel by Personal or Rental Vehicle
 - i. Use of Personal Vehicles – Students sometimes choose to utilize their personal vehicles in preparing for an event or to travel to a conference. As this use has the potential to create a liability for the ASI, a few guidelines must be observed.

 - (2) Any student who uses his/her personal vehicle must complete the Authorization to use Privately Owned/Rented Vehicle Form and provide a photocopy of his/her driver's license and current insurance to the ASI Administrative Offices (Titan Student Union, Room 218, 657-278-2401).  - ii. Use of Rental Vehicles – When students are using ASB fees to rent a vehicle, a few guidelines need to be observed
 - (1) ASI requires that the insurance provided by the rental agency be purchased.
 - (2) Due to safety concerns, the ASI does not allow the rental of larger vehicles, e.g. passenger vans bigger than a minivan, large SUVs (Expedition, Escalade).
 - (3) Students who rent vehicles must complete the Authorization to use Privately Owned/Rented Vehicle Form and provide a photocopy of their drivers' license and current insurance to the ASI/TSU Administrative Offices (Titan Student Union, Room 218, 657-278-2401).

How to Pay for an Event

General Instructions – Once an event or program has been approved for funding, several steps need to be taken in order to process the spending of the funds. It is important to ensure that all steps and forms are followed carefully as it may delay the processing of payments. All forms need to be authorized by both the funding body's Financial Officer and the Director, ASI Leader & Program Development or designee.

1. **Check Requisition Form** – For most transactions, a check requisition form is used. An electronic version of the check requisition can be found on the Executive Senate webpage. The Financial Officer of the

council fills out the form. Check requests need to be complete for the Accounting Office in order to process. **HANDWRITTEN FORMS ARE NOT ACCEPTED.** Here are a few requirements and guidelines:

- a) It is important that the form contain the *Action Number*, the budget number and the amount approved by the ICC or the amount approved by the ASI Board of Directors for funded councils.
- b) Name and telephone number of requestor.
- c) Name of payee. For students, please include CWID.
- d) Mailing address of payee.
- e) Payee's phone number.
- f) Account to be charged (should be an eight digit number #####-####) and related dollar amount(s).
- g) **The amount paid out may be less than approved, but cannot be more.** If the amount is more than approved, a new request for funding needs to be made to the funding body.
- h) Invoice number if applicable.
- i) Description of disbursement - list, provide detail about expense, who, what, where & why.
- j) Signatures
 - 1. The Chair or Financial Officer signs as the Program Director
 - 2. The Director, ASI Leader & Program Development (or designee) signs as the advisor.
- k) For multiple receipts/invoices, attach adding machine tape to support total check amount.
- l) Supporting documentation needs to be originals.
 - 1. If a copy, fax or internet print-out is provided, certifications by ASI Leader & Program Development are done.
 - 2. Statements, packing slips, credit card and ATM slips are **not valid** supporting documentation and require certifications.
 - 3. Payment for services of an individual (i.e. performers, speakers, honorariums) requires a Standard Agreement Form and a W-9 Form to be attached to the check request.

For non-resident payees, an IRS W-8 Form should be attached in lieu of the IRS W-9.

- i. For non-resident speakers, all international guest forms must be completed.
 - ii. Both of these forms are available electronically on the Executive Senate webpage
- m) All travel related expenses must be recorded on a Travel Expense Form for student travel over \$500.
 - n) Payment for completed airline travel requires an applicable boarding pass or certification.
 - o) Funds must be available in order to process the check request. If in doubt contact ASI Accounting Services for current balances.
 - p) Indicate disbursement preference (i.e. mail/hold for pick-up/deposit). If not specified, check will be mailed.
 - q) Use tax will be added to the check request for purchases from an out-of-state vendor that did not charge applicable sales tax.
 - r) Complete check requests received in the Accounting Office by noon on Tuesday will be available for pick-up at 3:00pm on Friday.
 - s) Late submissions will not be processed until the following week.
 - t) Incomplete check requests will be returned to ASI Leader & Program Development and by extension the Executive Senate group for follow-up and correction.

2. Purchase Order Requisition Form – This form is used to create a purchase order. A purchase order is a contract between the ASI and a vendor which tells a vendor that ASI promises to make payment upon the receipt of an invoice. The form needs to be completed in detail along with the Action Number, the payee's information, a detail of the items to be purchased with the prices listed. Prior to submitting the form to the ASI Accounting Office, it is authorized by the funding body's Financial Officer and the Director, ASI Leader & Program Development. Upon receipt, the ASI Accounting Office obtains authorization from the Vice President of Finance and the Executive Director. Then, the ASI Accounting Office issues a purchase order, which is a record of the purchase with a "purchase order number" listed on it. The purchase order is then sent to the vendor, who in turn

sends the merchandise ordered with a bill. The bill then is approved for payment by the requestor and the ASI Accounting Office issues a check for payment. Most businesses accept purchase orders. There is a five (5) day turn around for purchase orders.

3. Standard Agreement Form (Standard Contract) – The Standard Agreement Form, standard contract, is the only means for contracting a performer or lecturer that is funded by one of the ASI funding bodies. Therefore, the form must be completed well prior to the event. The Standard Agreement Form authorizes payment for a service. A service may be a lecture, a musical performance, a comedic performance, etc. **HANDWRITTEN FORMS ARE NOT ACCEPTED.** The steps to using the *Standard Agreement Form* are as follows:

Fill in all appropriate information on the form:

- Section 2 must list the name and contact phone number of the student who is coordinating the event. This name is used for any clarification of the information contained in the agreement.
- The service title, date, time, location, and price. Any exceptions, save a lowering of the price, need to be addressed as a new proposal to the funding body.
- The "load-in/load-out" time is the time the lecturer or performer should arrive to set up and the time the lecturer or performer should have all equipment off the premises.
- "Number of sets" usually refers to artistic performances in which a performer may perform for a certain amount of time, take a rest, then perform again. "Set length" is simply how long the set is. For most events, there is one set. The set length then becomes the amount of time the performer or lecturer has agreed to perform.
- Section 8 refers to performers or speakers from outside of California who are receiving more than \$1,500.00 in compensation as the ASI is required to withhold state taxes.

- Fill in the lecturer/performer's name and address at the bottom of the form.
- The contractor should complete an IRS W-9 Form. For non-resident payees, an IRS W-8 Form needs to be submitted in lieu of the IRS W-9 Form.
- *Signature of Contractor:* The completed form should be sent to the contractor (lecturer, performer) for his/her signature **FIRST**. Faxed signatures are acceptable. Remember that a W-9 Form needs to be completed.
- *Authorization:* Once signed by the contractor, it should be forwarded to ASI Leader & Program Development for approval and signature.
- *Copy:* A copy of the dually-signed contract is forwarded to the contractor.
- *Payment:* Once the form has been signed by the lecturer/performer, a *Check Requisition Form* must be processed so that a check is ready for the lecturer/performer at the time of the event. The *Standard Agreement Form* contractually obligates ASI and in turn the student organization to have payment for the lecturer/performer immediately after the event. It is therefore necessary for the entire process to be completed at least one week prior to the event.
- **Caveat:** Standard Agreement Forms presented for signature after the event are not paid for by the ASI. The financial liability rests with the student arranging the event. The ASI assumes no liability for any event in which the contract is not properly executed prior to the event date. For a contract to be properly executed, it must have been signed by both parties prior to the event and with both parties having received a copy of the contract with both signatures.

ASI Leader & Program Development. Supplies are usually delivered within 3 business days and are available for pickup in ASI Leader & Program Development.

4. **Supply Order Form** – For copies of approved vendors' catalogues, please see ASI Leader & Program Development (Titan Student Union, Room 269). The form needs to be completed in full and submitted to
