

**Requirements:**

1. A minimum major GPA of 2.5
2. COMD 476 already taken or to be taken concurrently in Spring 2023.
3. Transcripts submitted to CSU Fullerton Department of Communication Sciences and Disorders (Unofficial transcripts are acceptable)
4. Submission of GPA calculator sheet
5. Submission of a current resume that includes the names and contact information for two professional references.
6. Submission of one letter of recommendation form (This form can be filled out by any professional who knows you well)
7. Identification of a speech-language pathologist with current ASHA CCC and CA license as a speech language pathologist who will supervise your fieldwork experience. In order to meet state licensing, ASHA certification, and university internship requirements, students must complete 100 hours of fieldwork. Have the intended supervisor send the agreement, as stated below, as well as his/her ASHA CCC and CA license numbers to COMD department office via email at [comdassistant@fullerton.edu](mailto:comdassistant@fullerton.edu). Or you can forward your supervisor's email.  
"I agree to supervise (applicant name) for the 100 hours to fulfill the SLPA certification requirements during Spring 2023 semester, pending acceptance to the CSUF COMD 495 Internship course."

Please submit all documents except for GPA calculator sheet and transcripts to [comdassistant@fullerton.edu](mailto:comdassistant@fullerton.edu). GPA calculator sheet and transcripts should be sent to [stgonzalez@fullerton.edu](mailto:stgonzalez@fullerton.edu).

*The Center for Internships and Community Engagement (CICE) at CSUF works directly with administrators at intended academic internship sites and reviews and approves all academic internships for safety, appropriateness, and departmental standards. Students may not begin their internships until they receive notification from CICE that a site has been approved. The approval of school districts takes much longer, so please refer to the list of the approved school districts from the link below.*
