Minjung Kim, Ph.D., CCC-SLP

Associate Professor California State University-Fullerton College of Communication Dept. of Communication Sciences and Disorders P.O. Box 6868, Fullerton, CA 92834-6868 Office Phone: 657-278-3927

Email: minjungk@fullerton.edu

EDUCATION

Ph.D. (2008) Speech and Hearing Sciences, University of Washington, Seattle, WA

Advisor: Carol Stoel-Gammon, Ph.D.

Dissertation Title: *Phonetic and phonological development of word-initial Korean obstruents in young Korean children*

M.A. (2000) English linguistics, Korea University, Seoul, Korea

B.A. (1997) English language and literature, Korea University, Seoul, Korea

CERTIFICATION / LICENSURE

California Speech-Language Pathology and Audiology License in Speech-Language Pathology (# 18525) 2010-present

American Speech-Language-Hearing Association Certificate of Clinical Competence in Speech-Language Pathology (# 12108024), 2009-present

PROFESSIONAL EXPERIENCE

Associate Professor (August, 2016 ~ present)

Dept. of Communication Sciences and Disorders, California State University-Fullerton, CA

Assistant Professor (August, 2010 ~ July 2016)

Dept. of Human Communication Studies, Communicative Disorders Program, California State University-Fullerton, CA

Lecturer (2009 ~ 2010)

Dept. of Communication Disorders, Korea Nazarene University, Korea Division of Speech Pathology and Audiology, Hallym University, Korea

Speech-Language Pathologist (Clinical Fellowship Year: 2008 ~ 2009)

Federal Way Public Schools, Seattle, WA

Research Assistant

Infant Vocalization Study and A Multidisciplinary Research on Speech Characteristics of Young Children with Autism Spectrum Disorders, Dept. of Speech and Hearing Sciences, University of Washington (2001 ~ 2007) (under the direction of Carol Stoel-Gammon, Ph.D.)

Korean Telecom Speech Synthesis Project (2000)

Korean Database Project funded by Korea Research Foundation (1997 ~ 1998)

TEACHING EXPERIENCE

California State University-Fullerton, CA (August, 2010 ~ present)

Introduction to Phonetics (HCOM 241)

Introduction to Communicative Disorders (HCOM 242)

Speech and Hearing Science (HCOM 350)

Speech-Language Development and Disorders for Educators (HCOM 407)

Child Clinic (HCOM 548)

Honors Project (HCOM 497)

Seminar in Articulation and Phonological Disorders (HCOM 574)

Independent Graduate Research (HCOM 599)

Hallym University, Korea (2009 ~ 2010)

Instructor: *Articulatory and Phonological Disorders* (graduate level; Fall 2009) *Fluency Disorders* (undergraduate level; Winter 2011, Spring 2011)

Korea Nazarene University, Korea (2009 ~ 2010)

Clinical supervisor: Clinical Practicum (Spring 2010)

Instructor: Speech Science (undergraduate level; Spring 2010)

Fluency Disorders (graduate level; Fall 2009)

University of Washington, Seattle, WA (2002 ~ 2008)

Lab Instructor: *Phonetics* (SPHSC 302)

Teaching Assistant: Speech, Language, and the Brain (SPHSC 425)

Developmental Aspects of Communication (SPHSC 304)

Clinical Methodology for Documenting Change (SPHSC 500)

Research Methods in Speech-Language Pathology (SPHSC 506)

INTRAMURAL GRANT

Cal State Fullerton Junior/Senior Intramural Research Award (2016-2017)

Title of the project: Developmental patterns of speech sounds in young Korean children with speech sound disorders (\$5000)

Cal State Fullerton Junior/Senior Intramural Research Award (2012-2013)

Title of the project: *The developmental patterns of speech sounds in bilingual children with speech delay* (one course release plus \$5000)

INVITED TALK

Assessing speech sound disorders through phonetic-acoustic analysis. The Korean Society of Speech Sciences Summer Workshop, Seoul, Korea. (July 29, 2016).

Assessment of speech sound disorders using acoustic analysis. Korea Nazarene University, Cheonan, Korea. (July 16, 2015).

Phonetic and phonological development of word-initial Korean obstruents in young Korean children. Ewha Women's University, Seoul, Korea. (June 20, 2009).

HONORS AND AWARDS

Outstanding Faculty Recognition for Teaching (Fall 2016)

The Professor of the Month for February, National Student Speech Language Hearing Association (NSSLHA) CSU-Fullerton (2012)

UW Graduate School Fund for Excellence and Innovation, (2006)

UW Graduate student travel award (2004, 2006)

Alumni Award (Seokyoung Scholarship), Dept. of English Language and Literature, Korea University (2004)

PROFESSIONAL MEMBERSHIPS

American Speech-Language-Hearing Association (ASHA)

ASHA Special Interest Group: Global Issues in Communication Sciences and Related Disorders Health Promotion Research Institute (HPRI) at CSUF
