

Fall 2022

Scholarship Newsletter

Letter from the Dean

Greetings, College of Communications Supporters!

We are excited to share the 2022-2023 outstanding scholarship recipients within our four departments - Cinema and Television Arts; Communication Sciences and Disorders; Communications; and Human Communication Studies. Scholarship funding offers College of Communications students academic and co-curricular opportunities to support their goals of a college degree and a successful future.

For 2022, the College of Communications committed to the theme of “renewal.” It’s clear that, after years of continued uncertainties and upheavals in so many areas of our lives, we all need to find ways to renew both our commitments and ourselves.

Thanks to your commitment and generosity, our students have the financial support and encouragement to renew their goals and achieve their dreams.

If you have questions about any of the scholarships or wish to learn more about current initiatives in the College, please contact Katie McGill, Executive Director of Development, at 657-278-8231 or kmcgill@fullerton.edu.
